Career Objective

As a highly motivated and technically adept individual with a passion for web development, I am seeking a challenging position as a Front-End Developer. Leveraging my knowledge in HTML, CSS, JavaScript, and modern frameworks, I aim to contribute to creating dynamic, responsive, and user-friendly web applications. My goal is to grow and develop my skills within a collaborative team environment, while actively participating in innovative projects that drive user engagement and enhance overall web experience.

Academic Qualifications

Bachelor of Computer Applications

Maharshi Dayanand University
